

## Inspection of Public Records Act (IPRA) Process

"Citizens in a democracy have a fundamental right to have access to public records. This right is recognized by the New Mexico Legislature through the New Mexico Inspection of Public Records Act, NMSA 1978, 14-2-1 et seq. ("IPRA"), and by the New Mexico Supreme Court, which stated in 1977 that a citizen's right to know is the rule and secrecy is the exception..."
